Turkish speakers of English (between 18-50 years old) are needed for a psycholinguistics study. Participants must be native speakers of Turkish and late learners of English (after age 12). Participation in the study involves taking part in three reading experiments and two working memory tasks and filling out a short background questionnaire. All the tasks will be in English.

Completing the tasks in the study takes approximately 1.5 hours. You will be paid $15 (in total) for your time. To participate, please schedule a time at [http://www.meetme.so/cunyreadingstudy](http://www.meetme.so/cunyreadingstudy).

The experiments will take place at CUNY Graduate Center (365 Fifth Avenue, 10016, New York, NY), Psycholinguistics Lab, 7th floor, room 7394.

If you have any questions, please contact Nazik Dinctopal Deniz at [cunyreadingstudy@gmail.com](mailto:cunyreadingstudy@gmail.com).

The deadline for participation is July 31, 2015.
