Cheat Sheet - Incoming GC International Students: What You Need to Know to be Paid on Time

All information regarding financial aid, including fellowships and graduate assistant appointments will be communicated via the email you used on your admissions application. Please be sure to check this account regularly so that you do not miss important information. Once classes begin, all email correspondence will be sent to your official Graduate Center email account.

Most awards at the Graduate Center have two components: a financial aid award and a graduate assistantship appointment.

1. The financial aid components are tuition awards and financial aid fellowships. Financial aid fellowships typically pay once a semester and are mailed to your address by the Bursar.

2. Graduate Assistant appointments are processed by the Human Resources Office. The salary is paid bi-weekly through New York State payroll. Students may set up direct deposit.

In order to avoid delays to your payments, please take the following steps:

STEP 1 – Accept your offer of admission with the Admissions Office.

STEP 2 – Accept your award:

- Financial aid awards, including tuition remission awards, must be accepted on Banner Student Web under the Financial Aid tab.
- Graduate Assistant Appointments are not available to accept until August at the ONE STOP SERVICES Event, August 16-18, 2017 (see more information below).

STEP 3 – Before classes begin:

- Obtain a SSN/TIN number and submit a copy to the Office of Financial Aid if requested in Banner.
- Attend a One-Stop Orientation
- Register for classes. You must be registered as a full-time student in order to be paid.
- Update your mailing address in Banner.

STEP 4 – Taxes/Advances

- International students are subject to a process each semester which determines the taxes (if any) that the student’s home country requires to be withheld from the financial aid fellowship. This process will likely delay financial aid fellowship payment.
- The Graduate Center is willing to advance international students a portion of their financial aid fellowship until the actual funds become available. Please contact the Office of Financial Aid for details.

ONE STOP SERVICES INFORMATION:

Incoming students receiving multi-year fellowships and one-year graduate assistant appointments should plan to attend ONE STOP, where they will attend a Human Resources Orientation. Graduate Assistants cannot be paid until they attend an Orientation.
• The purpose of the Orientation is to process the paperwork necessary to add you to the Graduate Center payroll, so that you can begin receiving your payments in September.
• You will receive your official graduate assistant appointment letter at the Orientation. Signing the appointment letter is how you accept your assistantship.
• You will also receive a letter from the Human Resources Office which you can take to the Social Security Administration Office if you do not have a Social Security number.

Full information about ONE STOP, including a link to the ONE STOP website, will be emailed to you (at the address you used on your admissions application) in early July 2017.

Please contact Phyllis Schulz at pschulz@gc.cuny.edu for questions related to financial aid awards and Anne Ellis at aellis@gc.cuny.edu for questions related to graduate assistant appointments.
