Full Paper Submission Deadline: 28 September 2015
Final Paper (Camera-Ready) Submission Deadline: 30 October 2015
Early Bird Registration Deadline: 11 December 2015
Late Registration Deadline: 8 January 2016
Conference Dates: 22 - 23 February 2016

CONFERENCE THEME

Global perspectives shall complement discussions regarding the generation, promotion and implementation of evidence-based psychological practice. Psychology professionals now more than ever are being called upon to respond to the needs of society and individuals experiencing crisis in different forms such as war, famine, economic turmoil, crime, illness, and despair. This conference aims to bring together the world’s leading researchers, engineers and scientists whose professional interests involve psychological theories and practices and able to generate a major contribution to the formulation of global and regional strategies in the advancement of Psychology.

CONFERENCE HIGHLIGHTS
Prof. Gabriel Tan
"Biofeedback and Neurofeedback to enhance health and performance"
Associate Professor and Director of Clinical Psychology Program
Department of Psychology
National University of Singapore
Singapore

Prof. Bill Thompson

Science Proceedings
Print ISSN: 2251-1865, E-Periodical ISSN: 2251-1881 will be indexed by Ulrichsweb, EBSCO, CrossRef, ProQuest, PsycExtra and will be submitted to Scopus, ScienceDirect and CAS amongst others where applicable.

Authors who present their papers at the conference will be invited to submit an extended version of their research paper for the GSTF Journal of Psychology (JPsych) (Print ISSN: 2345-7872, E-periodical: 2345-7929). All submitted papers will go through blind review process for acceptance. All accepted papers (after the review process) will be included in the JPsych on a complimentary basis (free-of-charge). GSTF JPsych is hosted and published on Springer’s Open Access publishing platform Global Science Journals (GSJ). In addition, it will be indexed by PubMed Central (PMC), EBSCO, ProQuest, Ulrichsweb, Cabell’s Directories, and will be submitted to ScienceDirect, GoogleScholar, IndexCopernicus, amongst others.
Selected authors will be invited to contribute book chapters in "Enhancing Human Performance[sgem01.webvis.net]" Vol. 2 to be published by GSTF and CSP[sgem01.webvis.net]. The Editor-in-Chief is Prof. Craig Speelman (Edith Cowan University, Australia).

Awards and Best Student Paper Awards will be conferred at the conference (in order to qualify for the award, the paper must be presented at the conference).

CBP 2015 will also constitute a Special Panel Session.

Panel Proposals are invited for submission. A minimum of three papers centering on a specific topic will be accepted for submission under Panel Category[sgem01.webvis.net].
