

How to Process Registration Overrides

In order to allow a student to register for a closed course or a course that requires permission you must process a *Registration Override* in Web for Faculty.

Follow the instructions below to get to the *Registration Override* screen.

Select Term

Select a Term:

After selecting the appropriate term remember to click on the **Submit** button

Student Selection

 You may enter:

1. The ID of the Student or Advisee you want to process, or
2. Partial names, a student search type, or a combination of both. Then select Submit.

Student or Advisee ID:

Student and Advisee Query

Last Name:

First Name:

Search Type: Students

Advisees

Both

Click on the submit button after entering the student ID number

It is strongly recommended that you use the student ID for selection purposes. Name queries can be unreliable especially if the student is not registered for the term

Student Verification

 Please select Submit if the person you chose is correct. If this is incorrect, choose the ID Selection link to try again.

Demonstration Student is the name of the student or advisee that you selected.

Confirm the student name appearing on the verification screen is correct.

Click on the submit button to proceed to the override screen
