EDUCATION

<u>Fordham University, Graduate School of Arts and Sciences, Bronx, NY</u> <i>Doctorate of Philosophy</i> , Clinical Psychology	August 2003
<u>Cornell University, College of Human Ecology, Ithaca, NY</u> <i>Bachelor of Science</i> , Human Development and Family Studies, GPA 3.5	May 1998

APPOINTMENTS AND FELLOWSHIPS

<u>The City College and The Graduate Center, City University of New York</u> Department of Psychology, Doctoral Subprogram in Clinical Psychology <i>Associate Professor</i>	2015-present
<u>The City College and The Graduate Center, City University of New York</u> Department of Psychology, Doctoral Subprogram in Clinical Psychology <i>Assistant Professor</i>	2008-2015
<u>Columbia University, New York State Psychiatric Institute</u> Department of Psychiatry, Division of Epidemiology <i>Associate Research Scientist</i>	2007-2011
<u>Columbia University, Mailman School of Public Health, New York, NY</u> National Institute of Mental Health Post-Doctoral Fellow, NRSA T32 <i>Postdoctoral Research Fellow in Psychiatric Epidemiology</i>	2003-2006

HONORS and AWARDS

National Research Mentoring Network (NRMN)	
National Institute of Health (NIH) Health Disparities Research Loan Repayment Program	2005-2009
Leadership Alliance First 100 Doctoral Scholars	2008
African American Mental Health Research Scientist (AAMHRS) Consortium	
NIMH Research Scientist Grant-Mentoring Program <i>Mentee Scholar</i>	2006-2007
American College of Neuropsychopharmacology (ACNP) Travel Awardee	2006
Fordham Dissertation Award, Fordham University	2003
Fitzpatrick Graduate Fellowship, Fordham University	1998-2002
Cornell Tradition Fellow, Cornell University	1994-1998

RESEARCH GRANT SUPPORT

Completed

National Institute on Minority Health and Health Disparities (NIMHD) of the National Institutes of Health under award # U54MD008149, Research Centers in Minority Institutions Translational Research Network.
Principal Investigator. “Social exclusion and psychosis risk among urban ethnic minority emerging adults”

Dates: July 1, 2015-June 30, 2016
Total Award: \$40,000

PSC CUNY Grant Award: # 67739-00 45, The City College of New York

Principal Investigator: “The Clinical meaning of attenuated psychotic symptoms in racial and ethnic minority emerging adults”

Dates: July 1, 2014- July 2016
Total Award = \$5975.00

National Institute of Health/NIDA # 1R25DA035161-01

Consultant/Mentor for “Translational Research Training in Addictions for Racial/Ethnic Minorities At The City College of New York and Columbia University Medical Center,” Principal Investigator: Denise Hien.

Timeframe: 2013-2016

National Institute of Health/ NIMH # R01MH085150-01A1 903-1721D-1008025/1/24832

Consultant for: “Using multiple datasets to examine youth psychiatric diagnosis,” Principal Investigator: Prudence Fisher.

Dates: April 1, 2013 – March 31, 2014
Amount to Consultant = \$500.00

New York State (NYS) Center of Excellence for Cultural Competence at the NYS Psychiatric Institute, NYS Office of Mental Health

Principal Investigator: “Ethnicity and risk for endorsement of psychotic-like experiences in a non-clinical young adult student population”

Dates: June 1, 2010-August 31, 2010
Total Award = \$26,000

PSC CUNY Grant Award: 60024-39 40, The City College of New York

Principal Investigator: “The effects of a history of incarceration and racial discrimination on psychosis in a nationally representative US Black population”

Dates: July 1, 2009- June 30, 2010
Total Award = \$2,400

National Institute of Health/NIMH 3 R01 MH060911-06S1

Recipient of diversity supplement for “Personality disorder over 20 years: Risks, course and impact, Patricia Cohen (PI). Studied early childhood and adolescent risk factors for schizophrenia spectrum symptoms in a cohort that has been assessed prospectively for over 20 years

Dates: 9/1/2006-7/30/2008
Total Award: \$342,140

Frontier Award, New York State Psychiatric Institute, Columbia University, Department of Psychiatry

Principal Investigator, “The effects of ethnicity, class, and gender on psychiatric diagnostic patterns”
Dates: 2005-2007

Total Award = \$10,000

Anglin, D. M. (2004). Served as a discussant for a symposium presented at the annual meeting of the Association for Students of Color Alumni Workshop at Cornell University, Ithaca, NY.

McKay, D.R., & **Anglin, D. M.** (2001). The Anxiety Sensitivity Index-Revised (ASI-R) and the Suffocation Fear Scale (SFS): A Psychometric Analysis. Poster presented at the 21st national conference of the Anxiety Disorders Association of America. Atlanta, GA.

CLINICAL AND ASSESSMENT EXPERIENCE

- | | |
|---|--------------|
| Licensure: New York State Licensed Psychologist | 2004-present |
| Private Practice in New York City. Specializing in treatment for depression and anxiety and in child psychoeducational evaluations using neuropsychological testing. | 2004-present |
| <u>Columbia University, Division of Clinical-Genetic Epidemiology</u>
<i>Clinical Interviewer</i>
-Administered and completed narratives for the SADS-LAR-IV for a genetics of anxiety and fear study
PI: Myrna Weissman, Ph.D. | 2003-2004 |
| <u>Emory University School of Medicine/Grady Health System, Atlanta, GA</u>
<i>Psychology Intern,</i>
-Primary therapist for a caseload of 2-3 adult patients with serious mental illness.
-Responsible for rapid assessment, crisis intervention, and treatment planning on a psychiatric emergency service.
-Implemented empirically supported treatments on adult patients with panic disorder, social anxiety disorder, and maladaptive relationship patterns.
-Conducted comprehensive neuropsychological assessments on adults and children.
-Conducted play therapy and psychoeducational assessment with pre-school and school-aged children. | 2003 |
| <u>Lenox Hill Outpatient Center for Mental Health, NY</u>
<i>Psychology Trainee,</i> . Trained in:
- individual psychodynamic psychotherapy with an outpatient adult population.
- neuropsychological testing on adult patients with traumatic brain injury and on children with emotional disturbances and developmental delays.
-comprehensive intake evaluations -structured and psychodynamic play therapy | 2001 |

Beth Israel Medical Center 2000
Psychology Trainee, Trained in:
 -structured group therapy in a continuing day treatment program for adults with severe mental illness
 - Yalom's theory of Inpatient Group Therapy
 - group therapy on a dual-diagnosis inpatient unit
 - psychodiagnostic assessment batteries

TEACHING EXPERIENCE

The City College and Graduate Center, CUNY, NY *Associate Professor,* 2015-present
Assistant Professor, 2008-2015

Undergraduate Courses
 Clinical Research with Diverse Populations
 Experimental Psychology

Graduate Courses
 Multicultural Issues in Psychotherapy (Doctoral Program)
 Ethnicity and Mental Health (Doctoral Program)
 Quantitative Research Methods (Doctoral Program)

Bard High School Early College, New York, NY *Adjunct Professor,* 2004-2005
Undergraduate Course
 Introduction to Psychology
 Abnormal Psychology

Fordham University, Bronx, NY *Lab Instructor,* 2000-2001
Doctoral Graduate Course
 Cognitive Assessment

Fordham University, Bronx, NY *Teaching Assistant* 1999
Undergraduate Course
 Experimental Psychology Lab

MENTORSHIP

Postdoctoral Fellows
 Lauren Ellman, PhD, for New York State licensure 2009

Doctoral Students
 Florence Lui, *Dissertation Chair* 2017-
 Brooke Greene, *Dissertation Chair* 2015-
 Huw Greene, *Dissertation Chair* 2015-
 Lillian Polanco, *Dissertation Chair* 2015-
 Kathleen Isaacs, *Dissertation Chair* 2014-
