Dahlia K. Remler

Employment

Professor, School of Public Affairs, Baruch College, City University of New York, January 1, 2011-present. (Associate Professor, September 2004 – December 2010; Tenure effective September 1, 2006)

City University of New York Graduate Center, Member Doctoral Faculty in Economics, Fall 2004 - present.

National Bureau of Economic Research, Research Associate (Health Economics Program), September 2010-present. (Faculty Research Fellow May 2004 – September 2010)

Assistant Professor, Department of Health Policy and Management, Mailman School of Public Health, Columbia University, August 1999 – August 2004.

Assistant Professor, Institute for Health Services Research and Department of Health Systems Management, School of Public Health and Tropical Medicine, Tulane University, August 1996 – June 1999.

Post-doctoral Research Fellow, Department of Health Care Policy, Harvard Medical School and Department of Health Policy and Management, Harvard School of Public Health, September 1994 - August 1996.

Education

Ph.D., Economics, Harvard University, 1994.

Dissertation: Medical Care Cost Growth: Causes and Containment Techniques. Special Fields: Public Finance, Labor.

D.Phil., Physical Chemistry, Oxford University, 1989.

Dissertation: Ion Dynamics in Semiconductors with Self-Consistent Electronic Structure.

B.S., Electrical Engineering, University of California at Berkeley, 1985, Honors.

Books

Remler, Dahlia K. and Gregg G. Van Ryzin. **Research Methods in Practice: Strategies for Description and Causation**, Sage, published April 7, 2010.

Fellowships and Awards

Nominated for Excellence in Service Award, Baruch College, December 2011, decision pending.

Zvi Griliches Award for the best empirical article in the *Quarterly Journal of Economics* in the past four years, awarded to Cutler, McClellan, Newhouse and Remler, 2000.

Agency for Health Care Policy Research Post-Doctoral Research Fellowship, 1994-6.

Brookings Research Fellowship, 1993-4.

Salant Fellowship, 1989-90.

Marshall Scholarship, 1985-8.

Tau Beta Pi and Eta Kappa Nu, Engineering Honor Societies, 1985.

Recent and Selected Posters and Presentations

"Research and Analysis for Public Policy and Management: Principles and Practices from Active Learning." Presentation at the Teaching Pre-conference of the Association of Public Policy Analysis and Management Annual Meeting. November 2, 2011.

"Why Do Institutions of Higher Education Reward Research While Selling Education?" University of Toronto, July 19, 2011 (co-author: Elda Pema.)

"Academics as Journalists: A Modest Proposal" Baruch College School of Public Affairs Seminar, April 6, 2011. (co-authors and co-presenters: Don Waisenan and Andrea Gabor).

"Why Do Institutions of Higher Education Reward Research While Selling Education?" City College/CUNY Department of Economics Seminar, March 17, 2011 (co-author: Elda Pema.)

"Why Do Institutions of Higher Education Reward Research While Selling Education?" Association of Public Policy Analysis and Management Annual Conference, November 4, 2010 (co-author: Elda Pema.)

"Why Do Institutions of Higher Education Reward Research While Selling Education?" Association of Public Policy Analysis and Management Annual Conference, November 5, 2010 (co-author: Elda Pema.)

"Information and Communications Technology in Chronic Disease Care: Why is Adoption So Slow and Is Slower Better?" Association of Public Policy Analysis and Management Annual Conference, November 5, 2009 (co-author: Michael Christensen).

"Why Do Institutions of Higher Education Reward Research While Selling Education?" Queens College/CUNY Department of Economics Seminar, October 13, 2009 (co-author: Elda Pema.)

"Information and Communications Technology in Chronic Disease Care: Why is Adoption So Slow and Is Slower Better?" paper presented at the University of Maryland at Baltimore County Public Policy Seminar. February 18, 2009. Co-author: Michael Christensen.

"Over-utilization, Under-utilization... How would one spot an excessive health care treatment if it walked by?" paper presented at Association of Public Policy and Analysis Fall 2007 conference, November 7 2008, in Los Angeles, California.

"Quantitative Literacy: What is it? Why do we want it? How do we get it? Thoughts from the Baruch College Provost's Task Force on Quantitative Pedagogy" CUNY General Education conference, May 1, 2008, Baruch College.

"Patients as Consumers: Considering the Health Care 'Market'" and panel participant at "Our System, Our Future: Understanding Connections Between Practice, Policy and Patient Care" a forum for medical students at Mount Sinai School of Medicine, April 28, 2008.

Commentator at conference "Passing the Torch: Does Higher Education for the Disadvantaged Pay Off Across the Generations?" CUNY Faculty Senate Fall 2007 conference, December 7, 2007.

"How the Theory and Rhetoric of Markets Shapes Health Care Policy", organizer and chair of panel at Association of Public Policy and Analysis Fall 2007 conference, November 9, 2007.

"Fairness to All Parties: Resolving Utilization Review Disputes under ERISA with the Contingent Claims Contract Model" November 30, 2006 at New York University's Wagner School.

"Fairness to All Parties: Resolving Utilization Review Disputes under ERISA with the Contingent Claims Contract Model" October 18, 2006, Brown Bag Seminar at Columbia University's Department of Health Policy and Management.

"Health Savings Accounts" Greater New York Hospital Association/United Hospital Fund Health Care Services in New York: Research and Practice Conference, November 16, 2006.

"Fairness to All Parties: Resolving Utilization Review Disputes under ERISA with the Contingent Claims Contract Model" July 13, 2006 at the Department of Labor, Office of Policy and Research.

"Fairness to All Parties: Resolving Utilization Review Disputes under ERISA with the Contingent Claims Contract Model" June 6, 2006 at the *American Society for Health Economists* Meeting, Madison, Wisconsin.

"Utilization Review, Coverage Denial Disputes and ERISA: The Contingent Claims Contract Model to the Rescue" Presentation at Department of Health Systems and Policy, UMDNJ, October 19, 2005.

"How Much Cost Savings Will Health Savings Accounts Deliver?" Association of Public Policy Analysis and Management Meeting, Atlanta, GA, November 5, 2005. Co-author: Sherry Glied.

"Medical Utilization: A Market-Driven Definition" Paper presented at the International Health Economics Association Meeting. Co-author: Kamiar Khajhavi (presenter). Barcelona, Spain. July 13, 2005.

"Vertical Equity Consequences of Very High Cigarette Taxes: If the Poor are the Ones Smoking, How Can Cigarette Taxes be Progressive?" Paper presented at the International Health Economics Association Meeting. Co-author: Gregory Colman. Barcelona, Spain. July 12, 2005.

"Not Your Mother's Health Savings Account: The Evolution of the Health Insurance Market and its Implications for HSAs." Co-author: Sherry A. Glied. Presentation at Health Policy Grand Rounds, Mount Sinai Medical College, February 22, 2004.

"How Much Does Universal Health Insurance Reduce Socioeconomic Disparities in Health? A Comparison of the US and Canada" Association of Public Policy Analysis and Management Meeting, Atlanta, GA, October 28, 2004. Co-author: Sandra Decker.

"How Much Does Universal Health Insurance Reduce Socioeconomic Disparities in Health? A Comparison of the US and Canada" Canadian Economics Association Annual Meeting, Toronto, Canada, June 5, 2004. Co-author: Sandra Decker (presenter).

"Vertical Equity Consequences of Very High Cigarette Taxes: If the Poor are the Ones Smoking, How Can Cigarette Taxes be Progressive?" Canadian Economics Association Annual Meeting. Toronto, Canada, June 6, 2004. Co-author: Gregory Colman.

"How Much Does Universal Health Insurance Reduce Socioeconomic Disparities in Health? A Comparison of the US and Canada" Canadian Health Economics Study Group, Montreal, Canada, May 28, 2004. Co-author: Sandra Decker.

"If the Poor are the Ones Smoking, How Can Cigarette Taxes be Progressive?" Paper presented at the Association of Public Policy Analysis and Management Meeting, November 7, 2003. Co-author: Gregory Colman.

"The Impact of Medicaid Managed Care on Physician Participation in Medicaid" Presented at Association of Public Policy Analysis and Management Meeting, November 7, 2003. Co-authors: Jessica Greene (presenter) and Janice Blustein.

"Health Status and the Heterogeneity of Cost-Sharing Responsiveness: How Do Sick People Respond to Cost-Sharing?" Paper presented at the International Health Economics Association Meetings, June 16, 2003. Coauthor: Adam Atherly.

"Modeling Health Insurance Expansions: Effect of Alternate Approaches" Paper presented at the International Health Economics Association Meetings, June 16, 2003. Coauthors: Joshua Graff Zivin and Sherry Glied.

"Health Status and the Heterogeneity of Cost-Sharing Responsiveness: How Do Sick People Respond to Cost-Sharing?" Paper presented at American Economics Association Meetings, January 4, 2003. Coauthor: Adam Atherly.

"The Importance of Being Smartest: Why Universities Reward Research While Selling Education" October 2002, presentation at Economics and Education Seminar, Teacher's College, Columbia University.

"Payment Policy for Telemedicine and Medical Informatics: Will anyone invest in capital and development?" Rodgers Health Care Policy Colloquium, Weill Medical College, Cornell University. May 2002.

"Modeling Health Insurance Expansions: Effect of Alternate Approaches" presentation at 2002 Spring NBER Health Care Conference. Co-authors: Joshua Graff Zivin and Sherry Glied.

"Modeling Health Insurance Expansions: Effect of Alternate Approaches" presentation at 2001 Fall Association of Public Policy Analysis and Management meeting (November 3, 2001). Co-authors: Joshua Graff Zivin and Sherry Glied.

"Health Status and the Heterogeneity of Cost-Sharing Responsiveness: How Do Sick People Respond to Cost-Sharing?" by Dahlia Remler and Adam Atherly. Poster at the International Health Economics Association Meeting, July 2001.

"Comparing Insurance Expansion Simulation Methods" by Dahlia Remler, Joshua Graff Zivin and Sherry Glied. Presentation at the Approaches to Modeling Health Insurance Expansions, Meeting sponsored by RWJ, January 2001.

"Who is the Marginal Patient? Understanding Instrumental Variables Estimates of Treatment Effects," by Katherine Harris and Dahlia Remler, presented at the session "Instrumental Variables Estimation: Is It Useful?" Association for Health Services Research Annual Meeting, June 1998.

"Pricing Heart Attack Treatments," by David Cutler, Mark McClellan, Joseph Newhouse and Dahlia Remler, Conference on Research on Income and Wealth, National Bureau of Economic Research Conference, June 1998.

"Are Medical Care Prices Declining? Productivity Changes for Heart Attack Treatment" American Economic Association meeting, January 1997, joint with David Cutler, Mark McClellan, and Joseph Newhouse.

Teaching Experience

Research and Analysis I (PAF 9170). MPA core statistics course. School of Public Affairs, Baruch College. Fall 2004, Fall 2006, Fall 2008, Fall 2009, Fall 2010. Executive format: Winter 2008-09, Fall 2009, Fall 2010.

Research and Analysis II (PAF 9172). MPA core research methods course. School of Public Affairs, Baruch College, Spring 2005, Spring 2006, Spring 2007, Fall 2007, Spring 2009, Fall 2009, Spring 2011, Summer 2011. Executive format: Spring 2009, Winter 2009-10, Winter 2010-11.

Economic Analysis and Public Policy (PAF 9130). MPA core microeconomics course. School of Public Affairs, Baruch College, Fall 2004, Fall 2005, Fall 2006, Summer 2008, Spring 2011, National Urban Fellows program Summer 2008.

Health Economics (Ph.D. level course), Economics Department, The Graduate Center, City University of New York. Spring 2007 and Spring 2009.

Health Economics (PAF 9766), School of Public Affairs, Baruch College, Fall 2005.

Health Care Costs and Financing (PAF 9766), School of Public Affairs, Baruch College, Fall 2007, Fall 2009.

Economic Analysis and Public Policy (PAF 3102). Undergraduate course, required for Public Affairs majors. School of Public Affairs, Baruch College, Fall 2010, Fall 2011.

Public Finance (undergraduate) (PAF 3101), School of Public Affairs, Baruch College, Fall 2007.

Health Economics (Executive MPH), Rekjavik University, Rekjavik, Iceland. Spring 2009.

College Now! Microeconomics for Stuyvesant High School Students. Co-instructor. Summer 2004.

Health Economics, Mailman School of Public Health, Columbia University, Fall 2002 (co-taught with Sherry Glied), Fall 2003.

Research Methods, Mailman School of Public Health, Columbia University, Spring 2000, Spring 2001, Spring 2002, Spring 2003, Spring 2004.

Microeconomics for Policy Analysis I, School of International and Public Affairs, Columbia University, Fall 2000 and Fall 2001.

Microeconomics for Policy Analysis II, School of International and Public Affairs, Columbia University, Spring 2000, Spring 2002, Spring 2003 and Spring 2004.

Health Economics, Executive Masters in Health Administration Program, Tulane University, Spring 1997, Spring 1998, Spring 1999.

Financial Management, Tulane University School of Public Health and Tropical Medicine, Fall 1998.

Health Economics, Tulane University School of Public Health and Tropical Medicine, Fall 1997.

Guest Lecturer, Health Policy, College of Pharmacy, University of Tennessee at Memphis, Fall 1997 and Fall 1998.

Principles of Economics, Harvard University, Section Leader, 1991-3.

The Newshour with Jim Lehrer, August 22, 2002. Taped interview used in three parts of a segment on the causes and consequences of cardiovascular procedures costs for the Baby Boomers. The transcript is available at http://www.pbs.org/newshour/bb/business/july-dec02/solman_8-22.html.

WABC New York News, February 13, 2002. Taped interview on direct to consumer advertising for pharmaceuticals.

New York Magazine, August 2001. Quoted on physicians' views of managed care.

NBC Nightly News, March 2001. Taped interview on presidential candidates' Medicare prescription drug coverage proposals.

Medical Herald and other trade press, several interviews.

New York Times, January 19, 1997. Article by Robert Pear covered published medical care price index work, including two direct quotes from an interview. (Article widely reprinted in other newspapers.)

Service to School of Public Affairs

Faculty Development Coordinator (Chair for faculty matters), September 2011-present.

Curriculum Committee, September 1, 2005-June 2011. (Co-chair 2008-09)

Research and analysis sequence coordinator, Spring 2006-Fall 2010.

Member search committee for higher education administration faculty, November 2009-Spring 2010.

Personnel and Budget Committee, September 1, 2007-July 2009.

Chair of Search committee for survey research faculty, December 2007-Spring 2008.

Member of search committee for demography faculty, January 2008 - March 2008.

SPA Ad-hoc group for Quantitative Skills Workshop and Test, Spring 2008.

SPA Executive Committee, September 1, 2005-Spring 2007.

SPA Admissions committee, Spring 2007.

Member of Ad-hoc committee to revise MPA health track, Spring 2006-Fall 2007.

Member of SPA Educational Programs Review, Spring 2006-2007.

Ad-hoc Committee for Revision of Research Analysis curriculum, PAF 9170 & 9172, for School of Public Affairs curriculum committee, with Gregg Van Ryzin. Spring 2004 – 2005.

Member of search committee for health care policy CUNY cluster line search for Baruch School of Public Affairs, Fall 2004-Spring 2005.

Co-coordinator of Baruch School of Public Affairs Faculty Seminar, 2004 – 2005.

Member of Ad-hoc committee for Undergraduate Public Affairs program, Fall 2004 - 2006.

Member of Ad-hoc School of Public Affairs strategic planning committee, Fall 2004

Service to Baruch College

Committee on Teaching and Student Evaluations, Fall 2006-present. (Committee very active Fall 2011)

Search committee for Executive Director of Human Resources, November 2011-present.

Baruch College Liaison to Numeracy Infusion Course for Higher Education, a CUNY-wide project to improve quantitative reasoning in CUNY undergraduates, funded by NSF. Involves significant training for me as liaison, development of materials and outreach to improve both teaching and research on the effectiveness of pedagogical methods

Executive committee member, Vice-Chair for Administration and Finance, and representative, Baruch College Faculty Senate, 2010-2011.

Representative to School Academic Review Committee, 2006-7, 2010-11...

Member of Baruch Presidential Search committee, September 2009-February 2010.

Chair of Provost's Task Force on Quantitative Pedagogy, September 2007-September 2008. Report available at http://www.baruch.cuny.edu/facultyhandbook/topics.htm#P.

Committee on Teaching Excellence, Strategic Planning for Baruch College, May 2005-Fall 2007.

Representative to Baruch Faculty Senate, March 2005-June 2006.

Outside member of faculty search committee for Weismann School of Arts and Sciences, Baruch College for joint Psychology and Sociology/Anthropology faculty in aging. 2004 – 2005.

Service to City University of New York

Member, Research Advisory committee for New Community College, CUNY

Member, Task Force on Assessment, January 2011-present.

Adviser to Math Topics Committee of the New Community College CUNY Working Group, September 2009- January 2010.

CUNY Faculty Senator, March 2009-August 2011.

CUNY Faculty Senate Alternate, September 2008-March 2009.
