**THE ENVIRONMENTAL PSYCHOLOGY PH.D. AREA: VISUALIZING THE PATH TO A DEGREE.**

A sample path indicating significant time-goals which must be met.

- **[PRE] PREREQUISITES BEFORE ARRIVING.** Admissions File; Statistics; Coursework.

This path to a degree maps the time-goals to journey from matriculation to graduation. The shaded arrows recognize that different graduate students progress at different rates; some may move more quickly or achieve advanced standing. This is therefore possible to complete this program in less time, although people also take more time. Currently, university-provided funding is likely to be allocated for a period of five years.
