The European Union Studies Center invites Europe-focused scholars (faculty, independent researchers, or doctoral students) to apply for affiliation and research support.

Visiting Scholars at the European Union Studies Center at the Graduate Center, CUNY, will be provided with the following:

- An institutional affiliation and J-1 visa support
- Access to the Mina Rees Library, including use of CUNY libraries and inter-library loans for materials. Visiting scholars can also apply to be New York Public Library Scholars, granting access to the Manhattan Research Library (MaRLi) network.
- Use of a desk within the Ralph Bunche Institute for International Studies, when available.

Unfortunately, we are unable to provide funding for Visiting Scholars at this time, but we will gladly provide any necessary documentation to support Scholars’ efforts to secure other support for their stay in New York.

During your time at EUSC, we will expect you to:

- Present at a public workshop, talk or other event (including a podcast) about your research
- Participate in other workshops, events and talks hosted at the Graduate Center
- Reach out and/or make yourself available to CUNY faculty, staff and students.

In order to apply to be a Visiting Scholar, please send the following documents:

1. Statement about your planned research (1-2 pages)
2. Statement about why the Graduate Center is well placed to help with that research (one paragraph)
3. Your curriculum vitae
4. A reference from a professional colleague
5. If a doctoral student, a reference from your advisor

While applications are accepted on a rolling basis, please make sure you send your documents at least six (6) weeks before your planned arrival.

Email your application to eusc@gc.cuny.edu and msovner@gradcenter.cuny.edu.
