External Periodic Review

Criteria for Identifying Potential External Reviewers (please send approximately 5 names and potential dates to the Office of Institutional Research and Effectiveness)

- Strong scholarly records
- Complimentary areas of expertise
- Not alumni, close collaborators or friends
- Administrative experience (current or past department chairs, deans, etc.) at graduate level
- One reviewer from a public institution
- One reviewer from the northeast
- Reviewers should be diverse in terms of gender, and race/ethnicity.
- Provide information on why you believe the potential reviewer has the ability to review program.

*Please be sure to include justification for each reviewer based on the criteria above. E.g. "Reviewer comes from an institution that shares similar programmatic structure to ours at the GC."
