

# Distinguished Visiting Scholar Application

The application portal is open from September 1 - October 16, 2020

**\*\*We strongly recommend that you download and save the application to your computer desktop before filling it out. Please do not fill it out directly in the browser\*\***

The Advanced Research Collaborative (ARC) of The Graduate Center, CUNY, invites applicants to apply for the Distinguished Visiting Scholar Award for the 2021-2022 academic year.

Broadly defined, the research areas for the 2021-2022 academic year are as follows:

- Race, Migration, & Diversity
- Inequality - Qualitative
- Inequality - Quantitative
- Global Cities
- Multilingualism & Translation

We are particularly interested in projects that can speak to both humanistic and social scientific concern.

This award is for scholars and researchers who are not employed by the City University of New York (CUNY). Scholars can apply to stay for one semester, or for a shorter period. **Previous ARC Distinguished Visiting Scholars are welcome to reapply.**

A Distinguished Visiting Scholar will receive an office, computer, and access to The Graduate Center's academic infrastructure. Depending on the duration of stay, travel costs to and from the fellowship can be reimbursed up to a maximum of \$3,000 for the most economical fare only and following the submission of the required documentation. No housing is provided as part of this fellowship.

Distinguished Visiting Scholars are expected to carry out their work regularly at The Graduate Center, and to participate in the intellectual and academic community of ARC and The Graduate Center. In practice, this means:

- Using their Graduate Center office on a regular basis
- Interacting regularly and sharing their work with other ARC fellows
- Presenting their research at one of the weekly seminars
- Attending the weekly seminars on Thursdays from 4:00-5:30 as well as other ARC events

Please complete the application form below. When you are finished, please email it to [arc@gc.cuny.edu](mailto:arc@gc.cuny.edu) along with a PDF version of your CV (two pages max) and two publications.

Thank you for your interest in ARC and good luck!
