

Net change in registered voters 2015 to 2016, by neighborhood*

Change in enrollment as percent of total enrollment in 2015

Source: NYC Board of Election voter data as analyzed by Center for Urban Research at the CUNY Graduate Center.

* The map uses neighborhood tabulation areas (NTAs) from the NYC Dept of City Planning to approximate neighborhoods.

^ 5.7% is the net citywide decrease, based on NYC BOE statistics analyzed by CUR.

Blank areas: no vote data and/or no population
