

Members of the public can get free male and female condoms and lube by going to *any* of the following locations in NYC during hours of operation. If the location you visit has run out of safer sex supplies, give the NYCDOHMH a call right away at 311 to let them know.

**Free NYC Male Condoms:**

Visit any of the locations listed [here](#) or call **311**. Other types of male condoms (Durex® brand) are also available at select NYC Condom sites.

**Free Female Condoms:**

Pick up free female condoms at any of [these locations](#). The female condom is also Medicaid reimbursable at local pharmacies! It can also be purchased online at [Walgreens.com](http://Walgreens.com).

**Free Personal Lubricant (lube):**

Visit any of the locations listed [here](#) or call **311**.

*Questions? We've got answers—email us at [condoms@health.nyc.gov](mailto:condoms@health.nyc.gov) or call **311**.*
