How do I change my GC network account password?

This FAQ contains:
- Instruction for changing a GC account password

Using Control/Alt/Delete at login (Only on a GC computer):
- If you need to change your password, you can do so any time by pressing Ctrl/Alt/Delete at the same time. Choose the option to change password.

Self-Service Password Reset
- Use the GC’s Internet-based Password Reset service by visiting https://passwordreset.gc.cuny.edu/

Note: You must register and setup a 4-digit PIN to manage your GC network account. The IT Services does not reset passwords.
