

Attached, please find the media coverage report for the period of July 1 - July 31, 2019. This is a selective report of the top Graduate Center media coverage for all academic areas. You can view real-time coverage of the GC by visiting <https://www.gc.cuny.edu/News/Press-Coverage>.

Please note that this office promotes media coverage of the GC, all of its entities and affiliated faculty. The communications team can help garner press coverage of your research and other newsworthy accomplishments, as well as promote awareness of this work via our internal communications channels (the GC and ASRC websites and Twitter accounts). Below, please find several items of information that will be useful in helping us publicize your work.

- * If you would like to publicize a forthcoming study about your research, please note our **policies and protocols on submitting a request at least 2 weeks in advance** of formal publication.
- * If you are contacted directly by media for an interview, our team can help coordinate the details of the interview and ensure that organizational affiliations, titles and other items are addressed efficiently and correctly. Please let us know as soon as you are contacted so that we can lend assistance.
- * Please also see the [Media Experts listing](#) of faculty who frequently speak to the media. We are in the process of expanding the listed areas of expertise so that it more fully represents our GC faculty's knowledgebase. If you are interested in speaking with the media, but are not currently listed, please contact me at tdomi@gc.cuny.edu.
- * Please note that all media entering the GC or ASRC buildings must sign in with the public safety desk. [See the procedures for media access to the GC](#).

Feel free to contact me at anytime with any questions you have about this report, or to discuss how the media relations team can assist you in publicizing your work.

Sincerely,
Tanya Domi
