Clinical Psych Students Completing Internships June - September, 2018 - Important - Please Read

Clinical Psych Students who have defended and who will be completing their internships in June, July, August or September, 2018, will be awarded a September 30, 2018 degree.

Your physical degree will be printed and available at next year’s Commencement, May/June 2019 or, for pick up or mailing from the Office of Special Events & Planning.

If you will be starting a new position that requires confirmation that you have met all of the requirements for the Ph.D., you may request a letter from the Registrar (vdeluca@gc.cuny.edu) stating this once you have completed the electronic Dissertation Deposit process – not before.

Please read below on Electronic Dissertation Deposit and requirements for the Internship letter.

Dissertation Defense - Electronic Deposit - Internship Completion

Please note the following concerning the Dissertation Defense/ Electronic Deposit and Internship Completion:
• You may defend your dissertation prior to the start of your internship OR after the completion of your internship.
• You are able to deposit your dissertation only after your internship has been completed – not before.

Requirements to Deposit your Dissertation (Clinical Psych Students only):
• The EO’s office receives a letter of Internship Completion:
  o on official letterhead from the granting organization
  o stating the student’s name and their successful completion of the internship
  o the start and end dates of the internship.
  o letter must be dated no earlier than the last day of the internship completion - as stated in the letter.
• Please send the letter as an email attachment to Judith Kubran, APO for Academic Support & Student Progress, jkubran@gc.cuny.edu.
• Once the letter is received, Jude will notify the Registrar’s Office.
• The student may now start the Electronic Dissertation Deposit process - not before.

Your common question, 'Will I be able to walk in Commencement?'
• If you have completed your internship and you defend and deposit by the September, January or April deposit deadlines - you may walk in the upcoming May/June Commencement.

Example: If you complete your internship anytime between June 2017 and September 2017 AND you defend and deposit after the completion of your internship - anytime between June 2017 and April 2018 - you will walk in the May/June 2018 Commencement. Your name will be officially listed at Commencement and you will receive a printed degree.
• If you defend your dissertation but do not complete your internship and electronic deposit until after the April deposit deadline date - you may still walk in the May/June 2017 Commencement. You will need to meet specific criteria in order to do so. *

**Example:** If you defend your dissertation anytime between May 1, 2017 and April 28, 2018 (last day to deposit for a May/June 2018 degree) AND you complete your internship anytime between June 2018 and September 2018* - you may still walk in the May/June 2017 Commencement. Your name will NOT be officially listed at Commencement and you will NOT receive a printed degree. Degrees are printed once a year in May. You will receive your printed degree in May/June of 2019. They can be picked up at the GC or mailed to you.

*Clinical Psychology students who defend (but do not deposit) by April 30th and, whose internship completion date ends after Commencement, will need to complete the following criteria by April 30th:

• File original Report of Final Exam with the Psych EO Office (Judith Kubran will get EO’s signature and process paperwork).

• If required, file original Approval of Revised Dissertation form with the Psych EO Office (Judith Kubran will get EO’s signature and process paperwork).

• Obtain a ‘letter of good standing’ from your Internship Director prior to April 30th - to allow for receipt and processing by the EO Office. This must be written on the organization’s letterhead.

• Send the ‘letter of good standing’ as an email attachment to Judith Kubran, APO for Academic Support & Student Progress (jkubran@gc.cuny.edu). Please give the original letter or a copy to the administrative person of your training area.

• Jude will get the EO’s approval and will send an email from the Psych EO to the Registrar and to Special Events no later than April 30th, indicating those students who are deemed eligible to march at commencement.

Please Note: Clinical Psychology students are allowed to deposit their dissertations only when:
✓ the EO’s Office has received official notification from their internship director stating successful completion of their internship including the start and end dates of the internship.
✓ this letter must be on the organization’s official letterhead
✓ the letter is sent as an email attachment to jkubran@gc.cuny.edu for processing.
