Spring 2020 Colloquium
Wednesday, February 26, 2020
2:45pm-4:45 p.m., Room 7102

John Tsapogas
Workshop: Funding your Research

This workshop is open to students, faculty, and any other interested parties. Mr. Tsapogas and others will lead discussions on a variety of topics. The topics to be discussed include:

- CUNY Research Development Resources - Who Do You Call for Assistance in Developing your Proposal?
- Using PIVOT and Grant Forward (Search Engines) to Find Grant Opportunities
- NIH Funding in the Speech-Language-Sciences
- NSF Funding in the Speech-Language Sciences
- Other Sponsors Supporting Speech-Language-Hearing Science Research
- CUNY Grant Success Stories in the Speech-Language-Hearing Sciences
- Experience of CUNY Faculty Member Successfully Obtaining Support
- Experience of CUNY Graduate Student Successfully Obtaining Support
- Guidance, Tips, and Advice on How to Prepare a Competitive Proposal

Please note that this workshop will run longer than other events in our colloquia series. Participants are welcome to attend all or part of this event.
