Word Naming Study

We are looking for volunteers between the ages of 55 and 100 years

To qualify for this study you must meet the following requirements:

* English must be the primary language
* No history of neurological impairment
* No history of psychiatric disorder (such as depression)

Qualifying individuals will participate in a task that involves naming words from definitions and pictures. Participants will also be asked to answer questions about their word naming experience.

*Eligible participants will be compensated for their time.
