After the Exam

1. A CUNY Civil Service list of eligible candidates will be established, and candidates will be notified of their scores. Lists are established for one year and may be extended to up to three additional years. Each candidate’s final banded score will be determined by the Work Experience Test Score and any veteran’s preference and /or legacy credits awarded (see page 5). The final banded score will determine the order in which candidates are certified from the eligible list for vacancies. CUNY’s active civil service lists may be viewed online at http://portal.cuny.edu/cms/id/cuny/documents/jobposting/JobPostingEligibleList/EligibleListTOC.htm

2. The civil service eligible list resulting from the examination will be used to fill positions at CUNY colleges located in all five boroughs of New York City. Candidates will be called to interview for positions in list number order which will be determined by the order of their final banded score and the 5th digit of their social security number. The City University of New York reserves the right to refer only a sufficient number of applicants to meet the current and near-term staffing needs.

3. Candidates who are appointed from the civil service eligible list resulting from this examination are subject to a one-year probationary period, which may be extended, under certain circumstances, as noted in The City University of New York’s Civil Service Personnel Rules and Regulations and/or appropriate collective bargaining agreement.

Notes:

A. Release of Test Scores below 70. Per University regulations, the University does not score tests once it has been determined that an applicant failed to meet the minimum qualifications for appointment to the title. In these cases, test scores are assigned an administrative score of “60.”

B. Please note that because the City University of New York (CUNY) is a separate employer, employees of New York City agencies cannot transfer to CUNY. If an employee of a New York City agency accepts a position with CUNY, the employee’s date of appointment for the purposes of salary, seniority and time and leave accruals is his/her date of appointment to CUNY. New York City residency is not required for employment in this title.

C. Email is the preferred method of communication between CUNY and applicants. Candidates are asked to include a valid email address with the application and keep it up to date. It is the candidate’s responsibility to update contact information. Address, name, telephone number and email address changes should be emailed to: Classified.Centex@cuny.edu or mailed to OHRM, Civil Service Support, 395 Hudson Street, New York, NY 10014. NO APPLICATIONS ARE ACCEPTED AT THIS LOCATION.
D. All candidates must meet the minimum qualifications at the time of application. A candidate who does not meet the minimum qualifications at the time of application for this title will be disqualified. Candidates who have been deemed unqualified and already been appointed will be terminated. Candidates must attest to the accuracy of the information provided at the end of the application and must attest to understanding that cheating, applying under multiple Social Security Numbers or other ethical breaches will result in disqualification.

E. Eligibility for employment: All candidates must be legally eligible to work in the United States at the time of appointment and throughout your employment with CUNY. If appointed, you must produce documents that establish your identity and eligibility to work in the United States, as required by the federal Immigration Reform and Control Act of 1986, and the Immigration and Nationality Act. Proof of meeting the above requirements is necessary at the time of application. You will be asked to provide proof of having met these requirements.

F. It is the candidate’s responsibility to complete the application fully and accurately and to submit all supporting documentation of your claims of veteran/ disabled veteran / legacy credit, or foreign education or requests for fee waiver.

G. Candidates’ education and work history will be verified. When candidates who completed college coursework outside of the United States and that coursework is required to qualify for an examination (for example, a minimum number of college credits), they must have the higher education coursework evaluated at their own expense to determine its equivalence to higher education coursework completed within the United States. Agencies that are certified to make this evaluation are listed on the “Foreign Education Fact Sheet”. It can be downloaded from the website https://cuny.cphsr.us. You must pay the evaluation fee directly to the evaluating agency you selected and forward the results of the evaluation to CPS. The certified evaluation of your foreign education must be sent within 30 days after the close of the filing period to: CPS HR Consulting, ATTN: CUNY BDRA Exam #2061, 2450 Del Paso Road, Suite 160, Sacramento, CA 95834.

H. Retirees from public service employment with New York State or its political subdivisions including the City of New York are eligible for appointment (through the process outlined in this Notice). CUNY will not, however, be able to request a waiver of the earnings limitation for retirees under the age of 65, established in Section 211/212 of New York State Retirement and Social Security Law. The annual earnings limitation is $30,000 per year.
