Call for Poster Abstract Submissions  
Submission Deadline: February 28, 2018

Creating a Culture of Health

The Graduate Center Nursing Doctorate Annual Research Day 2018  
Hosted by the Graduate Center Nursing Doctorate Alumni Association (GCNDAA)

Poster abstracts are now being accepted for the 2018 Graduate Center Nursing Doctorate Research Day.

Keynote Speaker: Regina S. Cunningham, PhD, RN, NEA-BC, FAAN, AOCN  
Chief Executive Officer, the Hospital of the University of Pennsylvania

Categories: Topics must be related to:
- Research: original research or replication studies (generating new generalizable knowledge)
- Quality improvement (monitoring/evaluating care processes and outcomes)
- Evidence-based practice (translating knowledge to practice; implementing best practices)
- Practice-based nursing research (including management or education)

Review: Abstracts will be reviewed on scientific merit, clinical relevance and clarity.

Submission Instructions:
- **Word limit:** Submissions are limited to 250 words (excluding title, headings, author names, and affiliations).
- **Format:** Double-spaced, 12-point Times New Roman font, left-justified, with 1-inch margins.
- **Posters dimension** 2’ x 3’
- **Enter ‘2018 GCNDAA Research Day’ in the subject line**
- **Email the completed submission form to:** Anne Simmons (Anne.Simmone@cuny.edu) by **February 28, 2018**
- **All accepted poster presenters will be notified by March 19, 2018**

Poster Information:
- **Significance & Background:** explain how the topic is significant, important, or relevant to nursing. Please address the rationale or background for the study
- **Purpose:** Please clearly state the purpose, specific aims, or objectives of this study.
- **Conceptual Framework:** Please clearly state the conceptual or clinical model/ theoretical framework or philosophic frame of reference (for qualitative research).
- **Methods:** Please describe the design, sample, and data-collection instruments or methods used to gather data. Please describe the data analysis.
- **Findings/Conclusion:** Please describe the findings and how the findings may impact clinical decisions or patient outcomes. Summarize the conclusion from the findings.

**Awards will be presented for first and second place posters**

Hosted by the CUNY Graduate Center  
Nursing Doctorate Alumni Association  
365 Fifth Avenue  
New York, NY 10016
