

Steven G. Young, Ph.D.
Vitae

Fairleigh Dickinson University
School of Psychology
Teaneck, NJ 07410

Email: sgyoung@fdu.edu
Phone: 201-692-2314 (office)
201-449-6284 (cell)

Academic Positions

Baruch College, City University of New York
Assistant Professor (2014 – present)

Fairleigh Dickinson University
Assistant Professor (2011 – 2014)

Tufts University
Postdoctoral Fellow (2010 – 2011); Supervisor: Nalini Ambady

Education

Miami University
Master of Arts in Psychology (August, 2007)
Doctor of Philosophy in Social Psychology (August, 2010)

Drew University
Bachelor of Arts (May, 2005)

Publications

Young, S.G. (in press). The effect of red on male perceptions of female attractiveness: Moderation by baseline attractiveness of female faces. *European Journal of Social Psychology*.

Young, S.G., Slepian, M.L., & Sacco, D.F. (in press). Sensitivity to perceived facial trustworthiness is increased by activating self-protection motives. *Social Psychological and Personality Science*.

Brown, C.M., Shilling, A.A., **Young, S.G.**, & Berrong, L.E. (2015). Acceptance and rejection of pets and parasocial others cause corresponding changes in the self's perceived relational value. *Self and Identity*, 14, 233-251.

Freeman, J.B., Ma, Y., Barth, M., **Young, S.G.**, Han, S., & Ambady, N. (2015). The neural basis of contextual influences on face perception. *Cerebral Cortex*, 25, 415-422.

- Zhou, G., Pu., X., **Young, S.G.**, & Tse, C.S. (2015). Effects of divided attention and social categorization on the Own-Race Bias in face recognition. *Visual Cognition*, *22*, 1296-1310.
- Sacco, D.F. & **Young, S.G.** (2014). Facial emotion decoding: Neural, cognitive, and behavioral evidence for domain-specificity. In A. Freitas-Magalhães (Ed.), *Emotional Expressions: The Brain and the Face (Vol.5)*. Porto: University of Fernando Pessoa Press.
- Sacco, D.F., **Young, S.G.**, & Hugenberg, K. (2014). Balancing competing motives: adaptive trade-offs are necessary to satisfy disease avoidance and interpersonal affiliation goals. *Personality and Social Psychology Bulletin*. *40*, 1611-1623.
- Bernstein, M.J., Sacco, D.F., **Young, S.G.**, & Hugenberg, K. (2014). The impact of race and inclusion status on memory for ingroup and outgroup faces. *Basic and Applied Social Psychology*, *36*, 191-198.
- Pravossoudovtich, K., Cury, F., **Young, S.G.**, & Elliot, A. (2014). Is red the color of danger? Testing an implicit red-danger association. *Ergonomics*, *57*, 503-510.
- Sacco, D.F., Bernstein, M.J., **Young, S.G.**, & Hugenberg, K. (2014). Reactions to social inclusion and exclusion as a function of perceived ingroup similarity. *Group Dynamics: Theory, Research, & Practice*, *18*, 129-137.
- Young, S.G.**, Slepian, M.L., Wilson, J.P., & Hugenberg, K. (2014). Averted eye-gaze disrupts holistic face encoding. *Journal of Experimental Social Psychology*, *53*, 94-99.
- Bernstein, M.J., Claypool, H.M., **Young, S.G.**, Tuscherer, T., Sacco, D.F., & Brown, C.M. (2013). Never let them see you cry: Self-presentation as a moderator of the relationship between exclusion and implicit and explicit self-esteem. *Personality and Social Psychology Bulletin*. *39*, 1293-1305.
- Hugenberg, K., Wilson, J.P., See, P.E., & **Young, S.G.** (2013). Toward a synthetic model of own-group biases in face memory. *Visual Cognition*, *21*, 1392-1417.
- Slepian, M.L., **Young, S.G.**, Rutchick, A.B., & Ambady, N. (2013). Quality of professional players' poker hands is perceived accurately from arm motions. *Psychological Science*, *24*, 2335-2338.
- Young, S.G.**, Elliot, A.E., Feltman, R., & Ambady, N. (2013). Red enhances the processing of facial expressions of anger. *Emotion*, *13*, 380-384.
- Sacco, D.F., **Young, S.G.**, Brown, C.M., Bernstein, M.J., & Hugenberg, K. (2012). Social exclusion and female mating behavior: Rejected women show strategic enhancement of short-term mating interest. *Evolutionary Psychology*, *10*, 573-587.
- Slepian, M.L., **Young, S.G.**, Rule, N.O., Weisbuch, M., & Ambady, N. (2012). Embodied impression formation: Social judgments and motor cues to approach and avoidance. *Social Cognition*, *30*, 232-240.

- Young, S.G.**, Brown, C.M., & Ambady, N. (2012). Priming natural or human-made environments directs attention to context-congruent threatening stimuli. *Cognition and Emotion*, *26*, 927-933.
- Young, S.G.**, & Hugenberg, K. (2012). Individuation motivation and face expertise operate jointly to produce the Own Race Bias. *Social Psychological and Personality Science*, *3*, 80-87.
- Young, S.G.**, & Hugenberg, K. Bernstein, M.J., & Sacco, D.F. (2012). Perception and motivation in face recognition: A critical review of theories of the Cross Race Effect. *Personality and Social Psychology Review*, *16*, 116-142.
- Young, S.G.**, Hugenberg, K., & Prokhovnik, A. (2012). Group level and individual level influences on emotion expression decoding. In S.E. Carter and V.E. Taylor (Eds.). *Facial Expressions: Dynamic Patterns, Impairments, and Social Perceptions*. Hauppauge NY: Nova Publishers.
- Hugenberg, K., **Young, S.G.**, Sacco, D.F., & Bernstein, M.J. (2011). Social cognitive influences on the processing of emotion and identity recognition. In A.J. Calder, G. Rhodes, J.V. Haxby, and M. H. Johnson, (Eds.), *The Handbook of Face Perception*. Oxford: Oxford University Press.
- Jones, I.F., **Young, S.G.**, & Claypool, H.M. (2011). Approaching the familiar: On the ability of mere exposure to direct approach and avoidance behaviors. *Motivation and Emotion*, *35*, 383-392.
- Sacco, D.F., Brown, C.M., **Young S.G.**, Bernstein, M.J., & Hugenberg, K. (2011). Social acceptance facilitates male engagement in multiple mating tactics. *Personality and Social Psychology Bulletin*, *37*, 985-998.
- Young, S.G.**, Sacco, D.F., & Hugenberg, K. (2011). Vulnerability to disease is associated with a domain-specific preference for symmetrical faces relative to symmetrical non-face stimuli. *European Journal of Social Psychology*, *41*, 558-563.
- Bernstein, M.J., Sacco, D.F., Brown, C.M., **Young, S.G.**, & Claypool, H.M. (2010). A preference for genuine smiles following social exclusion. *Journal of Experimental Social Psychology*, *46*, 196-199.
- Bernstein, M.J., Sacco, D.F., **Young, S.G.**, Cook, E., & Hugenberg, K. (2010). Being 'in' with the in-crowd: The effects of social exclusion and inclusion are enhanced by shared ingroup status. *Personality and Social Psychology Bulletin*, *36*, 999-1009.
- Bernstein, M.J., **Young, S.G.**, & Claypool, H.M. (2010). Is Obama's win a gain for African-Americans? Changes in implicit racial prejudice following the 2008 election. *Social Psychology*, *3*, 141-147.

- Hugenberg, K., **Young, S.G.**, Bernstein, M.J., & Sacco, D.F. (2010). The categorization-individuation model: A social cognitive model of recognition biases. *Psychological Review*, *117*, 1168-1187.
- Young S.G.**, Bernstein, M.J., & Hugenberg, K. (2010). When do Own-Group Biases in face recognition occur? Encoding versus post-encoding. *Social Cognition*, *28*, 240-250.
- Young, S.G.**, & Claypool, H.M. (2010). Familiarity differentially effects attention allocation to threatening and non-threatening stimuli. *Journal of Experimental Social Psychology*, *46*, 424-427.
- Young, S.G.**, & Hugenberg, K. (2010). Mere social categorization modulates identification of facial expressions of emotion. *Journal of Personality and Social Psychology*, *99*, 964-977.
- Brown, C.M., **Young, S.G.**, & McConnell, A.R. (2009). Seeing close others as we see ourselves: One's own-self-complexity is reflected in meaningful others. *Journal of Experimental Social Psychology*, *45*, 515-523.
- Brown, C.M., **Young, S.G.**, Sacco, D.F., Bernstein, M.J., & Claypool, H.M. (2009). Social acceptance facilitates interest in mating. *Evolutionary Psychology*, *7*, 11-27.
- Young, S.G.**, Bernstein, M.J., & Claypool, H.M. (2009). Rejected by the nation: The electoral loss of a candidate included in the self is experienced as personal rejection. *Analyses of Social Issues and Public Policy*, *9*, 315-326.
- Young, S.G.**, Hugenberg, K., Bernstein, M.J., & Sacco, D.F. (2009). Intergroup salience decreases recognition for same-race faces. *Journal of Experimental Social Psychology*, *45*, 1123-1126.
- Bernstein, M.J., **Young, S.G.**, Brown, C.M., Sacco, D.F., & Claypool, H.M. (2008). Adaptive responses to social exclusion: Social rejection improves detection of real and fake smiles. *Psychological Science*, *19*, 981-983.
- Shriver, E., **Young, S.G.**, Hugenberg, K., Bernstein, M.J., & Lanter, J. (2008). Class, race, and the face: Outgroup contextual cues attenuate the own-race advantage in face recognition. *Personality and Social Psychology Bulletin*, *34*, 260-274.
- Bernstein, M.J., **Young, S.G.**, & Hugenberg, K. (2007). The cross category effect: Mere social categorization is sufficient to elicit an own-group bias in face recognition. *Psychological Science*, *18*, 706-712.

Papers Under Review

- Slepian, M.L., **Young, S.G.**, & Elliot, A. *The color red, threat, and race categorization*. Revise and resubmit.

Sosa, N., & **Young, S.G.** *From self to social enhancement: Inclusion of other in self extends Better-than-average effects.* Under review.

Young, S.G., Jones, I.F., & Claypool, H.M. *Stimulus threat and exposure context modulate the effect of mere exposure on approach behaviors.* Revise and resubmit.

Young, S.G., Lamson, W., & Ambady, N. *Reducing negativity biases in decoding emotion expressions associated with social anxiety via manipulations of task framing.* Under review.

Young, S.G., Wessels, P.M., & Hugenberg, K. *Repetition priming differentially influences ingroup and outgroup face processing.* Under review.

Zhou, G., **Young, S.G.**, Lin, M., & Chen, X., *The Own-Race Effect in face recognition is modulated by consistency between faces and context.* Revise and resubmit.

Papers in Preparation

Slepian, M.L. Weisbuch, M., **Young, S.G.**, Rule, N.O., & Ambady, N. *Embodied racial categorization.*

Slepian, M.L., **Young, S.G.**, & Ambady, N. *Winning hands: Configural information supports the accurate perception of professional poker players' hand-quality.*

Young, S.G., & Wilson, J.P. *Social and motivational influences on emotion expression recognition.*

Grants

Funded & under review:

National Science Foundation “Configural face processing and prejudice regulation”
PI: Kurt Hugenberg; Co-PIs: **Steven G. Young** & Robert J. Rydell
(\$505,809; funding period: July, 2014 – June, 2017)

VIA Institute of the Mayerson Family Foundation “Character strengths as a predictor of cooperation in economic decision making”
PI: **Steven G. Young**
(\$7,410; funding period: January, 2013 – December, 2015)

Fairleigh Dickinson University – Faculty Creative Activity and Research Seed Grant
PI: **Steven G. Young**
(\$1,525; funding period: July, 2013 – July, 2014)

Not funded:

National Science Foundation “Social motives create an ingroup advantage in emotion identification”

PI: **Steven G. Young**

(\$125,234; not funded, revision encourage – to be resubmitted January 2015)

National Science Foundation SBE-RCUK Collaborative Proposal “Face symmetry and social cognition”

PI: **Steven G. Young**; Co-PIs: Benedict C. Jones & Donald F. Sacco

(\$482,000; not funded, revision encouraged – to be resubmitted, July 2015)

National Science Foundation “Perceived vulnerability to disease and social perception”

PI: Donald F. Sacco; Co-PI: **Steven G. Young**

(\$213,854; not funded)

National Institute of Mental Health – R01 “Social Anxiety: Interpersonal and Intrapersonal Processes”

PI: **Steven G. Young**; Co-PIs: Nalini Ambady & Stephan G. Hofmann

(\$1,275,853; not funded)

Research Presentations

Research Presentations: Talks

Slepian, M. L., **Young, S. G.**, Rutchick, A. M., & Ambady, N. (2014, January). It’s in the hands, not the face: Accurate and inaccurate impressions of the quality of professional players’ poker hands. *Symposium paper presented at the 15th Annual Meeting of the Society for Personality and Social Psychology*. Austin, TX.

Young, S.G., Slepian, M.L., & Ambady, N. (2013, January). Approach and avoidance states influence face perception and memory. *Symposium paper presented at the 14th Annual Meeting of the Society for Personality and Social Psychology*. New Orleans, LA.

Bernstein, M.J., **Young, S.G.**, Sacco, D.F., & Hugenberg, K. (2011, May). Social rejection and face memory. *Talk presented at the Midwestern Psychological Association Conference*. Chicago, IL.

Sacco, D.F., **Young, S.G.**, Brown, C.M., Bernstein, M.J., & Hugenberg, K. (2011, May). Social exclusion facilitates short-term mating interest in women. *Talk presented at the Midwestern Psychological Association Conference*. Chicago, IL.

Young, S.G., Brown, C.M., & Ambady, N. (2011, May). Context influences attentional adhesion to biological and non-biological threats. *Talk presented at the Midwestern Psychological Association Conference*. Chicago, IL.

- Jones, I.F., **Young, S.G.**, & Claypool, H.M. (2010, May). Mere exposure facilitates approach behavior for familiar stimuli. *Talk presented at the Midwestern Psychological Association Conference*. Chicago, IL.
- Bernstein, M. J., **Young, S.G.**, Brown, C.M., Sacco, D.F., & Claypool, H.M. (2010, May). Looking for new friends: The effects of social rejection on smile perception. *Symposium paper presented at the 22nd annual meeting of the Association for Psychological Science*. Boston, MA.
- Brown, C.M., **Young, S.G.**, & Sacco, D.F., Bernstein, M.J., & Claypool, H.M. (2009, April). Social inclusion leads to reprioritization of basic motives. *Talk presented at the Western Psychological Association Conference*. Portland, OR.
- Sacco, D.F., Bernstein, M.J., **Young, S.G.**, & Hugenberg, K. (2009, May). Ostracism and person perception: Exclusion by ingroup members hurts more. *Talk presented at the Midwestern Psychological Association Conference*. Chicago, IL (Graduate Student Research Award Winner).
- Young, S.G.** (2009, April). Social psychological influences on face processing. *Invited Talk presented to the Department of Psychology, Drew University*. Madison, NJ.
- Young, S.G.**, & Hugenberg, K. (2009, May). An ingroup emotion recognition advantage in minimal group settings. *Talk presented at the Midwestern Psychological Association Conference*. Chicago, IL.
- Young, S.G.**, & Claypool, H.M., (2009, May). Mere exposure influences attention allocation to threatening and neutral stimuli. *Talk presented at the Midwestern Psychological Association Conference*. Chicago, IL.
- Bernstein, M.J., Brown, C.M., **Young, S.G.**, Sacco, D.F., & Claypool, H.M. (2008, May). Rejection increases accuracy in detecting cues to affiliation. *Talk presented at the Midwestern Psychological Association Conference*. Chicago, IL.
- Brown, C.M., **Young, S.G.**, & McConnell, A.R. (2008, May). Self-complexity predicts perceptions of other complexity. *Talk presented at the Midwestern Psychological Association Conference*. Chicago, IL.
- Shriver, E., **Young, S.G.**, Hugenberg, K., Bernstein, M.J., & Lanter, J. (2008, May). When same-race recognition fails: Social context moderates the Cross-Race Effect. *Talk presented at the Midwestern Psychological Association Conference*. Chicago, IL.
- Young, S.G.**, Bernstein, M.J., Shriver, E., Hugenberg, K., & Lanter, J. (2008, May). Social categorization and face recognition for same-race and cross-race targets. *Talk presented at the Midwestern Psychological Association Conference*. Chicago, IL.

Young, S.G., & Claypool, H.M. (2008, May). Effect of mere exposure on approach and avoidance behaviors. *Talk presented at the Midwestern Psychological Association Conference*. Chicago, IL.

Young, S.G., Bernstein, M.J., Hugenberg, K., & Lanter, J. (2007, May). Mere social categorization is sufficient to elicit an own-group recognition bias. *Talk presented at the Midwestern Psychological Association Conference*. Chicago, IL.

Research Presentations: Posters

Hutchins, B., **Young, S.G.**, & Sacco, D.F., (2015, May). Self-protection motives moderate the perception of facial cues of trustworthiness in intergroup contexts. *Poster to be presented at the 27th Annual Convention of Association for Psychological Science, New York NY*.

Hutchins, B., **Young, S.G.**, & Brown, C.M. (2014, October). Ease of retrieval as a manipulation of social rejection. *Poster presented at the New England Psychological Association Annual Conference*.

Abajian, A. & **Young, S.G.**, (2014, February). The influence of delayed gratification on state-anxiety is moderated by trait-impulsivity. *Poster presented at the 15th Society for Personality and Social Psychology Conference*. Austin, TX.

Lamson, W. & **Young, S.G.**, (2014, February). Reducing social anxiety related negativity biases in decoding facial expressions through manipulations of task framing. *Poster presented at the 15th Society for Personality and Social Psychology Conference*. Austin, TX.

Papakyriakou, K., & **Young, S.G.**, (2014, February). Trait empathy as a moderator of vicarious experiences of social rejection. *Poster presented at the 15th Society for Personality and Social Psychology Conference*. Austin, TX.

Prokhovnik, A. & **Young, S.G.**, (2014, February). Social anxiety is associated with a readiness to perceive anger on outgroup, but not ingroup, faces. *Poster presented at the 15th Society for Personality and Social Psychology Conference*. Austin, TX.

Sosa, N. & **Young, S.G.**, (2014, February). Inclusion of other in self extends self-enhancement. *Poster presented at the 15th Society for Personality and Social Psychology Conference*. Austin, TX.

Interra, T., & **Young, S.G.** (2013, March). Endorsement of culture of honor values predicts aggression in romantic relationships. *Poster presented at the Eastern Psychological Association Conference*. New York, NY.

Sosa, N., & **Young, S.G.** (2013, March). Better than average effects are extended to close-others included in the self. *Poster presented at the Eastern Psychological Association Conference*. New York, NY.

- Sosa, N. & **Young, S.G.** (2013, January). Affective responses to perceptual fluency are moderated by need for cognition. *Poster presented at the 14th Society for Personality and Social Psychology Conference*. New Orleans, LA.
- Barth, M. **Young, S.G.**, & Ambady, N. (2013, January). Social anxiety disrupts the identification of complex emotional states. *Poster presented at the 14th Society for Personality and Social Psychology Conference*. New Orleans, LA.
- Singer, C., & **Young, S.G.** (2012, March). Need for cognition modulates responses to perceptual fluency. *Poster presented at the Midwestern Psychological Association Conference*. Chicago, IL.
- Barth, M. **Young, S.G.**, & Ambady, N. (2012, January). Face memory in children is modulated by target emotion, race, and sex. *Poster presented at the 13th Society for Personality and Social Psychology Conference*. San Diego, CA.
- Slepian, M.L., **Young, S.G.**, Weisbuch, M., Rule, N.O., & Ambady, N. (2012, January). Embodied impression formation: Social judgments and motor cues to approach and avoidance. *Poster presented at the 13th Society for Personality and Social Psychology Conference*. San Diego, CA.
- Chu, M., **Young, S.G.**, Sacco, D.F., & Ambady, N. (2011, March). Perceived susceptibility to infection is associated with an increased preference for symmetrical faces. *Poster presented at the 2011 Association for Psychological Science Conference*. Washington, D.C.
- Hayes, M., **Young, S.G.**, & Ambady, N. (2011, March). Social anxiety disrupts adaptive responses following social rejection. *Poster presented at the 2011 Association for Psychological Science Conference*. Washington, D.C.
- Young, S.G.**, Wilson, J.P., & Hugenberg, K. (2011, January). Social contexts moderate the recognition of angry and happy expressions. *Poster presented at the 12th Society for Personality and Social Psychology Conference*. San Antonio, TX.
- Royer, M., **Young, S.G.**, Wessels, P.M., & Hugenberg, K. (2010, May). Repetition priming differentially influences recognition memory for same-race and other-race faces. *Poster presented at the Midwestern Psychological Association Conference*. Chicago, IL.
- Sacco, D.F., Bernstein, M.J., **Young, S.G.**, Cook, E. & Hugenberg, K. (2010, January). Rejection by ingroup members hurts more than rejection by outgroup members. *Poster presented at the 11th Society for Personality and Social Psychology Conference*. Las Vegas, NV.
- Bernstein, M.J., **Young, S.G.**, & Claypool, H.M. (2010, January). Changes in implicit racial prejudice following the 2008 US Presidential election. *Poster presented at the 11th Society for Personality and Social Psychology Conference*. Las Vegas, NV.

Young, S.G., Sacco, D.F., & Brown, C.M. (2010, June). Vulnerability to disease is associated with an enhanced preference for symmetrical faces. *Poster presented at the 22nd Human Behavior and Evolution Society Conference*. Eugene, OR.

Young, S.G., Bernstein, M.J., & Claypool, H.M. (2010, January). The electoral loss of a preferred candidate is experienced as personal rejection. *Poster presented at the 11th Society for Personality and Social Psychology Conference*. Las Vegas, NV.

Bernstein, M. J., **Young, S. G.**, Claypool, H. M., & Jones, I. (2009, May). Rejection leads to differential behavioral intentions towards real/fake smiles. *Poster presented at the Midwestern Psychological Association Conference*. Chicago, IL.

Intorcio, A.M., **Young, S.G.**, Sacco, D.F., Clark, A.C. & Hugenberg, K (2009, October). The relation between individuation, event-related potentials, and memory for same and cross-race faces. *Poster presented at the Society for Neuroscience Conference*. Chicago, IL.

Young, S.G., & Claypool, H.M., (2009, February). Familiarity moderates attention allocation to threatening and neutral stimuli. *Poster presented at the 10th Society for Personality and Social Psychology Conference*. Tampa, FL.

Brown, C.M., **Young, S.G.**, Sacco, D.F., Bernstein, M.J., & Claypool, H.M. (2008, May). Interest in mating increases following social acceptance. *Poster presented at the 20th Annual Association for Psychological Science Convention*. Chicago, IL.

Young, S.G., & Claypool, H.M. (2008, May). Familiarity increases ingroup perceptions of neutral and sad targets. *Poster presented at the 20th Annual Association for Psychological Science Convention*. Chicago, IL.

Brown, C.M., **Young, S.G.**, & McConnell, A.R. (2007, May). The independence of cognitive-complexity and self-complexity. *Poster presented at the 19th Association for Psychological Science Convention*. Washington, DC.

Young, S.G., Bernstein, M.J., & Hugenberg, K. (2007, January). An own-group bias in face recognition: The cross category effect. *Poster presented at the 8th Society for Personality and Social Psychology Conference*. Memphis, TN (Graduate Student Poster Award Winner).

Teaching

Courses Taught

Advanced Senior Seminar in Psychology
Applied Social Psychology (Graduate)
General Psychology
Research Methods in Psychology
Social Psychology

Statistics Laboratory

Professional Development Activities

Middle States Commission on Higher Education - Becoming an Assessment Facilitator (2013)
American Psychological Association - Preparing Future Faculty Program (2008-2009)
28th Annual Lilly Conference on College Teaching (2008)
Graduate Student Teaching Enhancement Program - Core Member (2006)

Presentations

Wagge, J., Walker, D.P., Housley, M.K., **Young, S.G.**, & Shore, C. (2009, March). Testing boundaries: Make-ups, missed work, and late work. *Talk presented at the 2009 Midwestern Institute for Students and Teachers of Psychology, Chicago, IL.*
