

**Curriculum Vitae**  
**Mary Clare Lennon, Ph. D.**

**University address:** PhD Program in Sociology  
The Graduate Center, City University of New  
York 365 Fifth Avenue  
New York, New York  
10016  
212-817-8779  
E-mail: MLENNON@GC.CUNY.EDU

**Home address:** 512 East 79 Street, Apt. 4B  
New York, New York  
10075  
917-922-8942

**Present Position**

Professor, Ph.D. Program in Sociology (Deputy Executive Officer), the Graduate Center,  
City University of New York

**Academic Training**

1984 M.S. in Biostatistics, Columbia University School of Public Health  
1980 Ph.D. in Sociology, Columbia University  
1975 M.A. in Sociology, Columbia University  
1970 B.A. in Sociology, Fordham University, Thomas More College

**Academic Appointments**

2007-present Professor, PhD Program in Sociology (Deputy Executive Officer 2011-present);  
Center for the Study of Women and Society (2007-present); Center for Human  
Environments (Director 2008-2009); Doctoral Program in Public Health (2007-  
2016); Doctoral Program in Social Welfare (2017-present); the Graduate Center,  
City University of New York

2018-present Affiliated faculty, Center on Poverty and Social Policy, Columbia University,  
School of Social Work

2010-present Visiting appointments, Institute of Education, Centre for Longitudinal  
Studies, University College London

2013 Visiting Scholar, Columbia Population Research Center, Columbia University

2007-2008 Visiting Research Collaborator, Office of Population Research and Center for the  
Study of Child Wellbeing, Princeton University

- 2006-present Professor of Clinical Sociomedical Sciences, Mailman School of Public Health, Columbia University
- 1996-2006 Associate Professor of Clinical Sociomedical Sciences, Mailman School of Public Health, Columbia University; Psychiatric Epidemiology Training Program
- 2005-2006 Visiting Research Collaborator, Office of Population Research and Center for the Study of Child Wellbeing, Princeton University
- 2003-2004 Senior Research Fellow, National Center for Children in Poverty, Mailman School of Public Health, Columbia University
- 2000-2003 Director of Social Science Research, National Center for Children in Poverty, Columbia University
- 1999-2014 Faculty Fellow, Institute for Social and Economic Research and Policy, Columbia University
- 1997-2000 Director of Research, Research Forum on Children, Families, and the New Federalism, National Center for Children in Poverty, Mailman School of Public Health, Columbia University
- 1997-1998 Visiting Fellow, Women's Studies Program, The George Washington University, Washington, D.C.
- 1987-1996 Assistant Professor, Columbia School of Public Health, Division of Sociomedical Sciences; and Psychiatric Epidemiology Training Program
- 1995 Acting Head, Division of Sociomedical Science, Columbia School of Public Health
- 1992-1993 Visiting Scholar, The Russell Sage Foundation, New York, N.Y.
- 1984-1987 Associate Research Scientist, Columbia School of Public Health, Division of Sociomedical Sciences
- 1984 Research Scientist, Division of Child Psychiatry, New York State Psychiatric Institute, New York, N.Y.
- 1984 Instructor, Department of Sociology, Columbia University, New York, N.Y.

### **Fellowships and Grant Support**

- 2017-2018 Principal Investigator, Gender, Generation, and Race: A Study of Wage Gaps. PSC- CUNY Award

- 2016-2019 Co-Principal Investigator, Interrupting Place-based Inequality: Building Sustainable Communities through Shared Equity Homeownership, National Science Foundation (NSF)
- 2014-2015 Principal Investigator, Anger, Hope and the DREAM Act: An Experimental Study of Framing Effects. PSC-CUNY Award
- 2013-2015 Co-investigator, Home Moves in the Early Years: The Impact on Children in UK and US, Economic and Social Research Council (ESRC)
- 2010-2012 ESRC-SSRC Collaborative Visiting Scholar. Centre for Longitudinal Studies, Institute of Education, University of London
- 2010-2013 Principal Investigator, Residential Mobility and Young Children: Family, Neighborhoods and Well-being, National Institute of Child Health and Human Development
- 2009-2011 Principal Investigator, Evaluation of the Tobacco Policy Change Program, Robert Wood Johnson Foundation
- 2008-2009 Principal Investigator, Housing Insecurity and Social Services Project. PSC-CUNY Award
- 2005-2009 Co-Principal Investigator, Services Research Innovations for Homeless Mentally Ill: Latent Group Trajectory Analysis, National Institute of Mental Health
- 2005-2010 Co-Investigator and Co-Director, Methods Core, Columbia Center for Homelessness Prevention Studies, National Institute of Mental Health
- 2004-2009 Program Evaluator, Advance Program at the Earth Institute, Columbia University. National Science Foundation
- 2003-2006 Co-Investigator, Mathematics Proficiencies in Elementary School: Effects of Family, School and Policy, National Science Foundation
- 2002-2007 Co-Investigator, Dynamic Socioeconomic Disadvantage: Effects on Children, National Institute for Child Health and Human Development, US Department of Health & Human Services
- 2003-2005 Principal Investigator, Dynamics of Economic Disadvantage and Child Health and Development, Robert Wood Johnson Health Investigator Award; Robert Wood Johnson Foundation
- 2004-2005 Principal Investigator, Talking about Poverty. William T. Grant Foundation

- 2002-2003 Principal Investigator, Public Attitudes Toward Welfare, Poverty and the Working Poor: A Vignette Study, Marguerite Casey Foundation
- 1997-2005 Principal Investigator, Support for the Research Forum Database and Website, U.S. Department of Health and Human Services
- 2000-2001 Co-Investigator, Parental Wealth and Transition to Adulthood, Institute for Social and Economic Research and Policy, Columbia University
- 2000-2002 Principal Investigator, Project Support for the Research Forum on Children, Families and the New Federalism, David and Lucile Packard Foundation
- 2000-2001 Principal Investigator, Support for the Research Forum on Children, Families and the New Federalism, the George Gund Foundation
- 1999-2000 Principal Investigator, National Forum on Children, Families and Policy Reform, Annie E Casey Foundation
- 1999-2000 Principal Investigator, Mental Health Problems in Low Income Families: The Challenge for States in an Era of Devolution, Substance Abuse and Mental Health Services Administration, US Department of Health & Human Services
- 1998-1999 Principal Investigator, Project Support for the Research Forum on Children, Families and the New Federalism, Chase Manhattan Foundation
- 1997-1998 Principal Investigator, Process Evaluation Project/ Research Forum on Children, Families and the New Federalism, University of Wisconsin (Madison) subcontract
- 1996-1999 Principal Investigator, Low Quality Jobs and Trajectories of Unemployment: Consequences for the Psychological Well-being of Adults and Children, Russell Sage Foundation
- 1996-1999 Co-investigator, Unraveling Girls' Antisocial Behavior, William T. Grant Foundation
- 1993-1995 Principal Investigator, Gender, Work, and Alcohol Use, Alcoholic Beverage Medical Research Foundation
- 1992-1995 Principal Investigator, Gender and the Structure of Paid and Unpaid Work, National Science Foundation
- 1990-1991 Co-principal Investigator, Controversial Psychiatric Diagnoses: A Vignette Study, Columbia School of Public Health, Calderone Award

- 1987-1990 Co-investigator, Myofascial Pain Dysfunction and Life Stress Study, NIDR
- 1982-1984 Post-doctoral Training Fellowship in Mental Health Statistics, NIMH
- 1980-1982 Post-doctoral Training Fellowship in the Sociology and Economics of Women and Work, NIMH
- 1976-1980 Pre-doctoral Training Fellowship in Psychiatric Epidemiology, NIMH

### **Areas of Interest**

Housing and neighborhoods, inequality, children and families, health, statistics and methods

### **Books**

- Lennon, M.C. and Corbett, T. (editors). 2003. Policy into Action: Implementation and Welfare Reform; Urban Institute Press.
- Lennon, M.C. (editor) 2001. Women & Health: Work, Welfare and Well-Being. Binghamton: The Haworth Press, Inc. [Also published as Special Issues of Women & Health. 2001, 32(1-3).]
