Education

Columbia University, Postdoctoral Fellow in HIV Center for Clinical and Behavioral Studies, Department of Psychiatry, College of Physicians and Surgeons (10/89 - 9/91).
New York University, Ph.D. and M.A. in community psychology with a minor in quantitative methods (9/78 - 10/85).
Princeton University, B.A. in psychology (9/71 - 6/75).

Academic Appointments

Professor of Psychology, Tenured, The City University of New York—The City College and Graduate Center (since 9/08). Doctoral faculty member in Clinical Psychology, and Health Psychology and Clinical Science.
Associate Professor of Psychology, The City University of New York -- The City College and Graduate Center (since 9/97; tenured in 12/01). Doctoral faculty member in above mentioned programs. Director of Health Psychology Concentration (Spring 1999-Fall 2004).
Assistant Professor of Clinical Psychology and Public Health, Department of Psychiatry of the College of Physicians and Surgeons, and Department of Sociomedical Sciences of the School of Public Health, both of Columbia University (10/91-8/97). Research Scientist III, Division of Child Psychiatry, New York State Psychiatric Institute (10/91-1996).
Postdoctoral Fellow, HIV Center for Clinical and Behavioral Studies, Department of Psychiatry, College of Physicians and Surgeons, Columbia University (10/89 - 9/91).
Research Scientist II, Division of Child Psychiatry, New York State Psychiatric Institute (9/85 - 8/89).

Awards and Honors

Editorial Board, *Annals of LGBTQ Public and Population Health* (since 9/19).
Past President, Division 44, American Psychological Association (since 8/19).
President, Division 44, American Psychological Association (8/18).
President-Elect, Division 44, American Psychological Association (8/17).
Fellow, Society for the Scientific Study of Sexuality (since 6/16).
Editorial Board, *Archives of Sexual Behavior* (since 3/13).
Award for Distinguished Scientific Contributions, Division 44 (Society for the Psychological Study of

- Lesbian, Gay, and Bisexual Issues) of the American Psychological Association (7/12).
 Award for Distinguished Contribution to Ethnic Minority Issues, Division 44 (Society for the Psychological Study of Lesbian, Gay, and Bisexual Issues) of the American Psychological Association (8/08).
 Fellow, American Psychological Association and of its divisions: Society for Community Research and Action (27) and Society for the Psychological Study of Lesbian, Gay, and Bisexual Issues (44) (since 1/07).
 Associate Editor, *Journal of Sex Research* (since 7/06).
 Competitive grant from Faculty Publications Program, The City University of New York, for course release time (9/98 - 5/99).
 Grant from the National Science Foundation (NSF) to attend Collaboratives for Integration of Research and Education (CIRE), NSF, Denver, CO (12/98).
 Editorial Board, *American Journal of Community Psychology* (since 5/98).
 Best research paper by the junior faculty, HIV Center for Clinical and Behavioral Studies, Columbia University (12/94).
 Postdoctoral fellowship, HIV Center for Clinical and Behavioral Studies, Columbia University (10/89 - 9/91).
 Predoctoral fellowship grant from the National Institute of Mental Health to conduct dissertation (9/83 - 6/85).

Distinguished Presentations

- Rosario, M. (2019). *How health professional associations advance LGBTQ health equity*. Invited presenter to plenary session of the annual convention of the Gay and Lesbian Medical Association (GLMA), New Orleans, LA.
- Rosario, M. (2019). *Conversion therapy: What is known*. Invited keynote address to the 2019 LGBTQ Healthcare Update Conference, Indiana University School of Medicine, Indianapolis, IN.
- Rosario, M. (2018). *Data are essential for federal policy*. Invited discussant to two Congressional sessions of the United States House of Representatives on “Rolling back progress: How shifts in federal policy are hurting lesbian, gay, bisexual & transgender Americans.” Washington, DC, May 17, 2018.
- Rosario, M. (2015). Implications of childhood experiences for the health and adaptation of lesbian, gay, and bisexual individuals: Sensitivity to developmental process in future research. Invited presentation to webinar on “Conceptual issues and research evidence of resilience in LGBT community: The cultural framework for health—new approaches.” NIH Office of Behavioral and Social Sciences Research (OBSSR).
- Rosario, M. (2014). *LGB homeless youth: Unknown and underserved*. Invited presentation to the conference on LGBTQ Youth and the State, The Williams Institute, UCLA School of Law, Los Angeles, CA.
- Rosario, M. (2010). *Health disparities by sexual orientation and ethnicity/race: A neglected issue*. Invited presentation to the Institute of Medicine, National Academy of Sciences: Committee on the lesbian, gay, bisexual and transgender (LGBT) health issues and research gaps and opportunities,

Washington, DC.

Grants (direct costs only)

- Rosario, M. (Consultant on Internal Advisory Council on Ethnic/Racial Health Disparities). The CCNY-MSK partnership for cancer research, education and community outreach. National Cancer Institute. (2U54CA132378-11A1, 9/1/19–8/31/24, approximately \$4,900,000, K. Hubbard, T. Ahles, F. Gany, & G. Barabino, PIs).
- Rosario, M. (Co-Investigator). Girl2Girl: Harnessing text messaging to reduce teenage pregnancy among LGB girls. Office of the Assistant Secretary of Health/Office of Adolescent Health (OASH/OAH)—Central Office, Department of Health and Human Services (1 TP2AH000035-01-00, 07/01/15—06/30/20, \$1,874,454, M. Ybarra, PI).
- Rosario, M. (Consultant). Identity stress and health in three cohorts of LGB individuals. National Institute of Child Health and Human Development. (R01HD078526, 6/1/14-5/31/19, \$2,796,425, I.H. Meyer, PI).
- Rosario, M. (Principal Investigator). Child and adult attachment and their implications for mental health and adaptation. The City University of New York. (PSC-CUNY 67830-00 45; 7/1/14–6/30/15, \$12,000).
- Rosario, M. (Consultant on Internal Advisory Council). CCNY-MSKCC partnership for cancer research, training and community outreach. National Cancer Institute. (U54CA132378-06. 12/01/07-08/31/18, approximately \$4,537,245, K. Hubbard, M. Trevisan, T. Ahles, & F. Gany, PIs).
- Rosario, M. (Consultant). First and subsequent same-sex sexual satisfaction and behavior in AAMSM. National Institute of Child Health and Human Development. (K23HD074470, 9/1/12-8/31/16, \$599,303, R. Sanders, PI).
- Rosario, M. and Austin, S.B. (joint Principal Investigators). Causes and impact of minority stress on health and development in youth. National Institute of Child Health and Human Development. (1R01HD057368-01A2, 9/15/09-6/30/16, \$2,597,848).
- Rosario, M. (Consultant on Internal Advisory Council on Ethnic/Racial Health Disparities). The CCNY/MSK partnership for cancer research, training and community outreach. National Cancer Institute. (K. Hubbard & T. Ahles, PIs; 9/26/08–8/31/13, approximately \$5,400,000).
- Rosario, M. (Consultant). Sexual orientation and health disparities in adolescence. National Institute of Child Health and Human Development. (S.B. Austin, PI; 7/1/04–4/30/09, \$700,000).
- Rosario, M. (Consultant on Internal Advisory Council on Ethnic/Racial Health Disparities). CCNY/MSK Cancer Center partnership. National Cancer Institute. (K. Hubbard & B. Rabkin, PIs; 6/13/02–4/30/08, approximately \$1,500,000).
- Rosario, M. (Consultant). Intention to quit smoking among LBGT smokers. National Cancer Institute. (J.E Burkhalter, PI; 7/1/03-6/30/05, \$100,000).
- Rosario, M. (Co-Investigator). Processes linking violence exposure and teen-age outcome. National Institute of Mental Health. (S. Salzinger, PI; 12/1/97-10/31/03, \$1,879,180).
- Rosario, M. (Principal Investigator). Determinants of HIV risk behaviors. City University of New York (6/1/98-6/30/99, \$4500).
- Rosario, M. (Principal Investigator). HIV risk and coming-out among gay and lesbian adolescents. Research project within the HIV Center for Clinical and Behavioral Studies, A.A. Ehrhardt, Principal Investigator of Center. National Institute of Mental Health (2/1/93-1/31/96, \$700,000 for the research project).
- Rosario, M. (Co-Investigator). Primary prevention of HIV among high risk youths in San Francisco,

Los Angeles and New York City. A cooperative agreement for a multi-site trial of AIDS prevention. National Institute of Mental Health. (M.J. Rotheram-Borus, PI, 9/30/91-8/31/95, \$1,500,000).

Rosario, M. (Co-Investigator). Secondary prevention with HIV+ youths in San Francisco, Los Angeles and New York City. National Institute on Drug Abuse. (M.J. Rotheram-Borus, PI, 9/28/92-8/31/97, \$2,900,000).

Rosario, M. (Co-Investigator). Intervention for adolescents whose parents live with AIDS. National Institute of Mental Health. (M.J. Rotheram-Borus, PI, 11/1/92 - 10/31/96, \$3,700,000).

Teaching

Department of Psychology, The City University of New York (since 9/97):

Graduate seminar on psychosocial determinants of health disparities and diversity

Graduate seminar on sex and gender

Graduate seminar on social psychology

Graduate courses on introductory and intermediate statistics.

Graduate seminar on health of lesbians, gays, and bisexuals.

Graduate seminar on the health of ethnic and racial minorities.

Graduate seminar on identity development and consequences.

Graduate seminar on violence research.

Graduate proseminar on trans-disciplinary issues in psychology.

Graduate course on health psychology.

Graduate course on research methodology.

Graduate module on questionnaires and survey methods.

Undergraduate course on psychology of violence.

Undergraduate course on health psychology.

Undergraduate honor's statistics course.

Undergraduate statistics course.

Department of Sociomedical Sciences, School of Public Health, Columbia University (9/94 - 6/97):

Health psychology in introduction to sociomedical sciences.

Women and AIDS (1/95 - 5/95).

Peer Reviewing

Ad hoc reviewer, current for:

Addiction (since 2013).

American Journal of Public Health (1992 – about 2001, 2006 – current).

American Journal of Community Psychology (since 1997).

Archives of Sexual Behavior (since 2013).

Clinical Psychology Review (since 2015).

Cultural Diversity and Ethnic Minority Psychology (since 2007 – about 2010, 2012-current).

Developmental Psychology (since 2006).

Drug and Alcohol Dependence (since 2005).

Health Psychology (since 1997– about 2004, 2010 – current).

Journal of Clinical Child and Adolescent Psychology (since 2008).

Journal of Consulting and Clinical Psychology (since 1999 – about 2004, 2010 – current).

Journal of Counseling Psychology (since 2006).

Journal of Research on Adolescence (since 2009).
Pediatrics (since 2011).
 PLoS ONE (since 2019).
Preventing Chronic Disease (since 2014).
Preventive Medicine (since 2019).
Proceedings of the National Academies of Science (PNAS), since 2020).
Psychology of Addictive Behaviors (since 2012).
Tobacco Control (since 2011).

Ad hoc reviewer, past for:

Addictive Behaviors (since 2004 – about 2010).
American Psychologist (since 2003 – about 2008).
AIDS Education and Prevention (1991 – about 2001).
Child Abuse & Neglect (2011).
Family Planning Perspectives (1997 – about 2000).
Health Education and Behavior (since 1999 – about 2008).
Journal of Adolescent Health (1998 – about 2003).

Grant Review Committee, American Psychological Foundation of the American Psychological Association, Wayne F. Placek Grants, 2012.

Grants for Special Projects of National Significance (SPNS), Health and Resources Services Administration, DHHS (6/96).

Papers on HIV prevention efforts, Office of Technology Assessment, the Congress of the United States (4/95).

Ad hoc reviewer of AIDS research grant proposals and B-Start research grant proposals, National Institute of Mental Health, National Institutes of Health (since 9/92).

External Consultation

Substance Abuse and Mental Health Services Administration (SAMSHA): Expert Panel on Sexual and Gender Minorities, March 2017. (Invited to consult to SAMSHA as an “expert” on sexual and gender minorities to assist SAMSHA and the Center for Behavioral Health Statistics and Quality (CBHSQ) of the Office of Management and Budget in determining their roles in behavioral health associated with sexual and gender minorities and future research agendas.)

NIH Office of Behavioral and Social Sciences Research (OBSSR): Webinar on “Conceptual issues and research evidence of resilience in LGBT community: The cultural framework for health—new approaches,” June 2015. (Invited presentation on “Implications of childhood experiences for the health and adaptation of lesbian, gay, and bisexual individuals: Sensitivity to developmental process in future research.”)

United States Commission on Civil Rights, project on “Peer-to-Peer Violence and Bullying: Examining the Federal Response,” April 2011. (Invited by the Commission to present a report concerning bullying and other victimization experienced by lesbian, gay, and bisexual youth in the school setting.)

Fenway Institute, Program Scientist and Faculty Member (since June 2010). (The Fenway Institute is nationally known as a primary provider, advocate, and center for research, education, training, and policy in LGBT health.)

- Institute of Medicine, National Academy of Sciences: Committee on the lesbian, gay, bisexual and transgender (LGBT) health issues and research gaps and opportunities, Washington, DC, March 2010. (Invited to present and advice the IOM on what eventually resulted in the IOM's report in 2011 on "The health of lesbian, gay, bisexual, and transgendered people: Building a foundation for better understanding," Washington, DC: National Academies Press).
- Tanner Center for Nonviolent Human Rights Advocacy, University of Utah: Controlling Sexuality Through Violence, Shame and Cultural Oppression: Implications for Human Rights, February 2010. (Invitation-only consultation by experts on lesbian, gay, bisexual, and transgendered (LGBT) individuals.)
- LGBT Youth Institute, Center for Research on Health and Sexual Orientation, Graduate School of Public Health, University of Pittsburgh: Health Research among LGBY Youth, July 2009. (Invitation-only consultation by experts on the health of lesbian, gay, bisexual, and transgendered (LGBT) youth.)
- Rockway Institute, Alliant International University, Rockway Experts Program (since September 2008). (Invited to be a member of the Institute's panel of experts. The Rockway Institute is a national center for research and policy concerning LGBT persons.)
- Society for Research on Child Development (SRCDD) Task Force on Sexual Minority Families (Spring 2008).
- American Foundation for Suicide Prevention (AFSP), Gay and Lesbian Medical Association (GLMA), and Suicide Prevention Resource Center (SPRC): Consensus conference on GLBT Suicide: Research, Treatment and Prevention (11/07). (Invitation-only conference of senior suicide investigators to consult to convening organizations.)
- Centers for Disease Control and Prevention: Expert panel on behavioral interventions for gay, lesbian, and bisexual teens, Atlanta, GA (9/00). (Invitation-only conference of experts on GLB youth to advice the CDC).
- Health Psychology (Division 38 of the American Psychological Association): Future of health psychology, Pittsburgh, PA (3/00).
- Institute of Medicine, National Academy of Sciences: Workshop on lesbian health research priorities, Washington, DC (10/97). (Invited to present and advice the IOM on lesbian health, which contributed to the IOM's report in 1999 on "Lesbian health: Current assessment and directions for the future," Washington, DC: National Academies Press).
- Macro International: HIV prevention with adolescents, Calverton, MD (6/95).
- Office of Research on Women's Health, NIH: Methodological issues in women's health research (8/94).
- National Institute of Mental Health, NIH: Obstacles in HIV prevention (12/92).

Membership in Professional Associations

- American Psychological Association and Division 27 (society for community research and action), Division 38 (health psychology), and Division 44 (society for the psychological study of lesbian, gay, and bisexual issues).
- American Public Health Association.
- Association for Psychological Science.
- International Academy of Sex Research.
- Society for Adolescent Health and Medicine.
- Society for Research on Adolescence.
- Society for the Scientific Study of Sexuality.

Society of Behavioral Medicine.

Other Professional Activities

Member-at-Large, Society for Community Research and Action (Division 27 of the American Psychological Association), 2000-2001.

Past-Chair, Standing Committee on Women, Society for Community Research and Action (Division 27 of the American Psychological Association), 2000-2001.

Chair, Standing Committee on Women, Society for Community Research and Action (Division 27 of the American Psychological Association), 1999-2000.

Chair-Elect, Standing Committee on Women, Society for Community Research and Action (Division 27 of the American Psychological Association), 1998-1999.

Publications (submitted and under review)

Rosario, M., Gagnon, G., Espinosa, A., & Cherkasskaya, E. (submitted). The poorer health of bisexual individuals is linked to a subgroup with identity diffusion and other personality disorder symptoms.

Rosario, M., A. Espinosa, A., Kittle, K., & Russell, S. T. (submitted). Childhood experiences and mental health of lesbian/gay, bisexual, and other sexual minority adults: Examining three models.

Solazzo, A.L., Tobaac, A.R., Gordon, A.R., Rosario, M., Austin, S.B., & Charlton, B.M. (submitted). The association of maternal and structural stigma with lesbian, gay, and bisexual emerging adults' cigarette smoking and binge drinking.
