

M.S. IN COGNITIVE NEUROSCIENCE Core or Elective(s) Permit Request Form

Students in the M.S. Program in Cognitive Neuroscience must complete the following form for each course that they are requesting to take outside the program's core/elective schedule.

Submit the following to cogneuro@gc.cuny.edu:

- This form
- A copy of the course syllabus

The Director and the Curriculum and Exams Committee will review the application. Students will be informed of the decision via email. If an application is approved, students will then be asked to submit an e-permit through CUNYFirst.

NOTE: Incoming students during their first semester may be eligible to enroll in a course/elective outside the program; however, since incoming students will have yet to accumulate a GPA, they will not be able to request an e-permit via CUNYFirst. Students should contact the department to obtain written permission after which the Office of Registrar will perform a manual e-permit.

1. First Name: _____
2. Last Name: _____
3. Mentor: _____
4. Course Code: _____
5. Course Section (if applicable): _____
6. Course # of Credits: _____
7. Course Name: _____
8. CUNY School: _____
9. Semester: _____
10. Faculty Name: _____

11. Faculty Affiliation: _____

12. Faculty Position: _____

13. M.S. Program in Cognitive Neuroscience Core or Elective Course Equivalency (Course Code, Section, and Name): _____

14. Reason(s) for wanting to take course:

15. Course relevance to research interests and cognitive neuroscience:

IMPORTANT: Permission to take a course outside the program requires the approval of your faculty mentor.
