

Information Sheet

Fall 20_____

Please fill out this Information Sheet and return it to the Biochemistry Program Office by emailing Denise Charles (dcharles@gc.cuny.edu) before the start of the Fall semester.

Please select the three areas of research you are most interested in and rank your first second and third choice. Please also indicate any areas in which you have prior research experience using "PRE" next to the topic.

Area of Biochemistry	Rank	Area of Biochemistry	Rank
Nucleic acid structure/function	_____	Bioinorganic chemistry	_____
Plant Biochemistry	_____	Organelle biochemistry	_____
Lipids/Membranes	_____	Immunology	_____
Protein biochemistry/Enzymology	_____	Cancer biology	_____
Metabolism and regulation	_____	Structural biology (X-ray, NMR, EM)	_____
Bioinformatics	_____	Gene expression	_____
Bio-organic/natural products chemistry	_____	Physical biochemistry/molecular biophysics	_____
Molecular biology	_____	Pharmaceuticals	_____
Neuroscience	_____	Other (specify) _____	_____

Below please list the names of Biochemistry doctoral faculty you are interested in conducting a research rotation with, and indicate if you have contacted them and the outcome of that contact. Consult the Mentor List attached to the recent email message and also see: <http://www.gc.cuny.edu/Page-Elements/Academics-Research-Centers-Initiatives/Doctoral-Programs/Biochemistry/Program-Faculty>.
