Considering a career in data science?

Open House for M.S. in Data Science

RSVP here or tinyurl.com/bjwd5zrh

March 29, 2022
5-6pm
Room C201

In-person/Zoom event
RSVP required

Learn about the 2-year Master's Program of Data Science, and the 4-course Advanced Certificate.

Join a discussion of professors and current students, as they give insights into program features and admissions, and answer your questions.
